

Two Session Salaried GP - Streamside Surgery

Type: Permanent

Location: South Gloucestershire

Practice: Streamside Surgery: Thornbury Health Centre

We are caring, developing and collaborative with a close knit friendly and supportive team that helps us provide high continuity, resulting in good patient satisfaction and a manageable workload. We believe a happy autonomous and valued team underpins delivery of safe and effective patient care.

We all prefer face to face appointments to working in a call centre and this is generally a more effective way of managing the needs of our patient group, so almost all our appointments are face-to-face. Staff safety & wellbeing is important to us.

Salaried vacancy: Due to family relocation for a GP, we are seeking to cover up to a total of two sessions per week. We are looking for a start in October 2024 but can wait a little for the right person.

Streamside Surgery is a small friendly practice situated in Thornbury Health Centre. Thornbury is a semi-rural market town about 25 minutes' drive from Bristol City Centre on easy roads and 10 minutes from the M5 and M4. It also has excellent schools and amenities. Surrounded by beautiful countryside and (our namesake) streamside walk, which our doctors often appreciate on a lunchtime break.

Us

- We have a Principle, Six salaried GPs and a full complement of clinical and non-clinical staff. List Size 5,546 with 22% over 65
- Roughly four patients per hour, with time allocated for reports, SARS and chronic disease reviews, and low visits: average one or less per day per doctor, with time allocated.
- We teach medical students and are a training practice, with GP Registrars rotating through the practice. We are a research practice and care about our sustainability.
- Dynamic and Innovative Leadership team, open to new ideas. NHS Choices Excellent. Patient satisfaction high. High doctor – patient continuity [80% contacts with same doctor]
- Happy doctors and staff! Staff wellbeing is important to us, we have social events and visits from the Ice cream van in the recent hot weather. Regular doctors meeting.
- Supportive and efficient administration team, processing of documents and workflow. Part of Severn View PCN, with medicines support and reconciliation from the prescribing hub
- CQC Good April 2016, excellent QOF achievement and committed to delivery to Local Enhanced Services

You

- All applicants welcome regardless of time qualified and open to GPs on retainer scheme or those returning to work.

- We are seeking an enthusiastic and motivated doctor who can fit into our friendly and efficient team.
- Salary dependent on experience, to be at least £9,600 per session.

Selection Process:

- We welcome visits to the practice for interested candidates. Further Information and Application Pack; please contact Stephanie Celso (Practice Manager) or Sam Creavin (Principle) on bnssg.streamside.practiceadmin@nhs.net
- Candidates will be short-listed and invited for an initial interview.
- Successful interview candidates may also be invited to attend a final panel.

Application:

- If invited for interview you will be expected to bring proof of your right to work in the U.K., CRB and performers list clearance, qualifications and professional registration.

Closing Date: 31st August 2024 we may close to applicants early if we receive sufficient numbers of suitable applicants.
