

Are you a dedicated GP, looking to join a friendly, innovative and supportive surgery in the attractive suburb of Downend, Northeast Bristol. We are a supportive and progressive GP practice with sophisticated multi-disciplinary teams. With a list size of 27,500 patients and more than 100 employees, we deliver our services from two purpose-built sites, located just a 10-minute walk apart.

We have 12 Partners, all of whom have a strong ethos of promoting teamwork, mentorship, and professional development.

We are now seeking a Salaried GP to become part of our growing team of 15+ Salaried GPs at our well-established, forward-thinking practice.

What We Offer:

- A competitive salary (based on experience)
- 15-minute appointments; split into a combination of face to face, telephone and eConsult
- Protected 15-minute coffee break per session
- Protected administration time built into every session
- Protected time to support other HCPs built into your schedule
- Follow-up appointment slots exclusively for you to book
- Team based approach to duty work; several GPs working within the "hub" at any given time (no solo GP duty or triage list).
- Regular Salaried GP and Learning Event meetings
- Six weeks annual leave, one week study leave and bank holidays (pro rata)
- Support of an Urgent Care Team, including Paramedics and a Prescribing Nurse Practitioner for minor illness clinics
- The support of a large Clinical Pharmacy team and skilled Practice Nurses managing chronic diseases

- A dedicated and knowledgeable Medicines Management Team handling repeat prescriptions, medication queries and discharge summaries, reducing your administration burden
- Support from a Health and Wellbeing Coach and Care Co-ordination Team who offer social prescribing and assist complex elderly and vulnerable patients,
- Excellent opportunities to get involved with teaching and training and research
- The option of mentorship and monthly meetings for newly qualified GPs via the Newly Qualified GP Fellowship
- Regular MDTS focused on frailty, palliative and safeguarding
- Green Practice and Health and Wellbeing initiatives, including regular social events and an Employee Assistance Programme
- Medical Indemnity, GMC membership and other professional subscriptions, required to work within the practice are covered

Why Join Us:
