

FROME VALLEY MEDICAL CENTRE

Registered General Practice Nurse with Primary Care Experience

We are currently looking for an experienced, enthusiastic, flexible and reliable person to join our friendly team to cover Maternity Leave from 1st November 24 – 31st December 25

23 hours a week within the Practice opening times of 07.30-20.00.

Salary depending on experience

An opportunity has arisen for Practice Nurse to join our experienced, dedicated and friendly nursing team at our forward thinking, enthusiastic and supportive practice. We have a dynamic team of nurses, healthcare assistants and phlebotomist providing chronic disease management and enhanced services to our 14,500 patient list.

The ideal candidate will have proven experience in a primary care setting. You should be keen to keep yourself updated in the new challenges facing primary care and be prepared to undertake further training as required for the position.

The ideal candidate will have general practice experience and skills in the following areas:

ESSENTIAL SKILLS

Phlebotomy
Wound Care
Compression Bandaging
ECGs
Adult and child immunisations

DESIRABLE SKILLS

Cervical Cytology (Smears)
Contraceptive reviews
Travel vaccines
Skills in asthma/COPD & diabetes

Informal visits welcome.

For further information or to arrange an informal visit, please contact Amanda Hares Management PA at Frome Valley Medical Centre on 01454 854948 or email:
