

# Treatment Room Nurse

## The Orchard Medical Centre

**The closing date is 30 August 2024**

**Apply for this job**

### Job summary

The Orchard Medical Centre are looking to recruit a part time and enthusiastic Treatment Room Nurse to join our friendly nursing team within a dynamic and progressive primary care environment. The role would suit an experienced treatment room nurse looking for a change or a registered nurse looking to develop a career within primary care.

Our priorities are great patient care, work life balance and team work. Our aim is to provide the best possible health care for our patients while promoting better physical and mental health.

### Main duties of the job

The role involves actively managing a caseload. This will include wound care, Vaccinations, health promotion, health checks, and cervical cytology. Please see job description for full details.

The post is for 20 hours per week, days to be negotiated. This role will include Saturday work

### About us

As a valued member of the nursing team, the quality of care we provide starts with you.

We pride ourselves on being an exceptional practice with a friendly team working from a one site purpose built surgery, on the outskirts of Bristol, within minutes of both Bristol and Bath.

We are a training practice and we strongly encourage and support our staff to develop.

If you are wanting a fresh and exciting challenge within a supportive and friendly practice, please apply today.

We offer;

**\*\*onsite parking\*\***

**\*\*Daily Huddle\*\***

**\*\*Regular team meetings\*\***

**\*\*Access to health and well being services\*\***

**\*\*Daily Coffee for clinical catch up\*\***

To apply with your cv or to find out further information about the post/If you would like to meet the team and look around the surgery please contact Donna Russ on email; [donna.russ1@nhs.net](mailto:donna.russ1@nhs.net)
